

# How Can I Become A Monthly Sponsor For A Rescued Animal?

*First, take a moment and choose the type of farm animal that you wish to sponsor. Are you drawn to the rowdy roosters, the pudgy pot belly pigs, the galloping goats, or the mammoth-sized draft horses?*

Monthly sponsors are extremely important because they help provide the food, shelter, veterinary care and any special needs of each of the rescued farm animals and horses. There are always new animals coming into the sanctuary, each with special needs of their own. Select the type of animal that you would like to help, and we'll

choose a special animal for you from that group who is in need of a monthly sponsor. Simply fill out the sponsorship form and return it to Happy Trails along with your first monthly sponsorship fee.

You will receive a full-color photo and fun-facts about the rescued farm animal.

An information sheet is also included with the sponsorship packet and outlines how your kind donation is used toward

the animal's care. It details items such as feed, bedding, shelter, medical, and any other costs associated with the special needs of that particular animal.

Sponsors are personally invited to the sanctuary to attend special "Sponsor's Days" at various times during the year to visit his or her sponsored animal,

and to meet in person the adorable creature that you are helping to care for.
