

TRAVELING PIG SPONSORSHIP FORM

(All sponsorship donations are tax deductible)

You can sponsor a rescued piggy per mile to help raise funds which will help defray the costs of the trip as well as help provide care for the abused, neglected and abandoned animals that arrive daily at the gates of Happy Trails.

A chart on our website will help supporters to monitor our progress as the trip unfolds.

Total miles for the one-way trip to California is **2,500 miles**. We are taking **10 rescued piggies**. Sponsorships are **\$1.00 per mile**, and you can sponsor a piggy (or piggies) of your choice for as many miles as you wish! **Each piggy is trying to raise \$2,500.00 for the trip and for the care of the rescued animals that arrive daily at Happy Trails!**

Our goal is to get each piggy's total miles sponsored, which gives us a goal of \$25,000.00!

Please help the piggies reach their destination and help Happy Trails to reach our sponsorship goal!
