

Name That Chicken!

How'd **YOU** like to go through life being known as #194?

Happy Trails Farm Animal Sanctuary is assisting with a mass rescue of spent laying hens (from a factory farm) who we are picking up at Farm Sanctuary in Watkins Glenn, New York, this coming Friday (Sept. 6th)!

We are trying to raise money to pay for fuel expenses for the trip.

250 of these rescued hens will be transported to Happy Trails and will be available for adoption.

ALL animals deserve a name!

For a \$2 donation, you can name a rescued hen and that money will sponsor the cost of her transportation.

At \$2 per hen, our goal is to collect \$500 toward our cost of gasoline for the trip.

Send us a beautiful name suitable for a beautiful chick along with a whole two bucks, and know that your \$2 will pay for her transportation to Happy Trails Farm Animal Sanctuary!

We'll publish all the hens' names as they come in!

(See next page for donation information)
