Two Calves Now Available For Adoption!

**Destiny
And
Freedom**

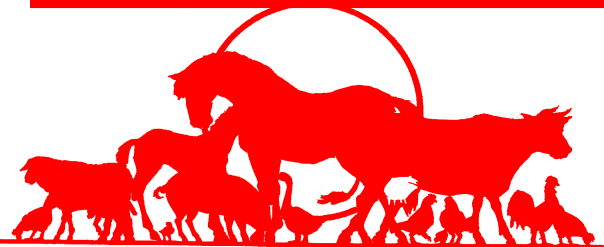

Wonderful family pets!

They came in as ten day old baby Holsteins, starvation cases, not expected to make it through the first night. Not only have they survived, but they have thrived! Now 5 months old, they have won their freedom in court and are ready to find a loving, caring home!

The vet suspects that this adorable baby boy and girl are twins!

Adoption Fee: \$150 for the pair
