

Presented by Happy Trails Farm Animal Sanctuary

Dear Friend of Happy Trails,

Please partner with Happy Trails Farm Animal Sanctuary to sponsor a simply *amazing* event and the sanctuary's *biggest* fundraiser of the year entitled "*A Night of Hope and Inspiration*", which will be held on Saturday, March 21st at Todaro's Party Center in Akron. *We will be celebrating 15 years of service in animal rescue!*

This inspiring evening is created to focus on all the good and positive things that have come about through Happy Trails, and to highlight stories of how rescued animals that have come from situations of abuse and neglect have impacted and changed people's lives. Special guest speakers will share their very personal connection with Happy Trails. Presenters include Best Friends Animal Society Board Member and animal rescue advocate, Timy Sullivan; founder of the Learning Dog Training and Enrichment Center and animal behaviour specialist, Katie Costello; professional horse trainer, Ken Aberegg; and Reike Master and teacher, Mary Jane Brigger. As this inspiring and truly heart-warming evening unfolds, it will become clear as to the impact Happy Trails Farm Animal Sanctuary has on the community.

We will highlight the incredible progress our organization has made over the past 15 years, and share hope that through community outreach and education we can address animal abuse in our society. Together we are making a huge difference not only in the lives of the rescued animals, but in the lives of the people as well.

100% of the proceeds from this event directly benefit Happy Trails, a 501c3 non-profit organization. Donations are tax-deductible.

Sponsors will be included in event promotions and will receive complimentary tickets to the event.

The following form provides information to partner with Happy Trails to sponsor this incredible event benefitting the rescued animals. **We appreciate your support and the opportunity to work together to bring hope and inspiration when addressing the difficult topic of animal abuse.** Happy Trails is truly creating a safer, more compassionate world for everyone. ***Thank you for your time and consideration.***

With kindness and compassion for all animals,
