

Happy Trails Farm Animal Sanctuary Fence Banner Sponsorship Program

Promote Your Business While Supporting Animal Rescue

Every year thousands of people enter the gates of Happy Trails Farm Animal Sanctuary to experience the peace and healing provided for the abused and neglected farm animal who come into our rescue and rehab programs from across the United States.

Public educational tours are offered from May through October each year; school groups and nursing home outings bring both the young as well as the young-at-heart; and the 2016 Open House will plan to welcome the usual 2,000+ open house visitors.

While donors, suppliers, vendors, staff and volunteers are among the people you usually encounter on the sanctuary grounds, we have also welcomed elected officials, business owners and celebrities. Everyone wants to give a pig a belly rub, hug a mini horse, pet an ex-cockfighting rooster or play with the goats.

This year, for the first time in Happy Trails 16 year history, we are offering a promotional opportunity that will a) provide unique avenue for businesses and other supporters to showcase their product or service with a mesh banner located on the front fencing that welcomes everyone to the sanctuary, while b) showing your support of the rescue, rehab, adoption and outreach programs of Happy Trails. It's truly a win/win situation for both our supporters as well as the rescued animals.

There are 12 fence panels available, and each panel will feature only one sponsor. You are welcome to provide a design for the mesh banner or we can help design the graphics for you.

The mesh banners are 8' x 3', and will be displayed beginning in May 2016 and will remain on display through April 2017, with the banner sponsorships being a yearly program.

The yearly cost of the Fence Banner Sponsorship Program is \$1,500. A payment plan of half down and \$100 per month can be arranged if requested.

All Fence Banner Sponsors will also receive six complimentary tour passes for the 2016 tour season

For more information on Happy Trails Fence Banner Sponsorship Program, email hopee@happytrailsfarm.org or call 330-296-5914.
