## SADIE

**Breed:** Morgan

**Gender:** Mare

**Age:** 6 years old

**Color:** Chestnut

**Health:** Right eye scheduled to be surgically removed on Saturday, Oct. 20th

**Prognosis:** Will be able to be adopted as a Pasture Pal, a friend for another horse or a family pet.

## FLEURY

**Breed:** Welsh pony

**Gender:** Mare

**Age:** 20+ years old

**Color:** White

**Health:** Underweight; just had a five month old baby taken from her at the auction

**Prognosis:** Will make a great kids horse, traffic and trail safe, trained to ride and drive. No lameness detected at this time.

## **DIAMOND**

**Breed:** Percheron draft

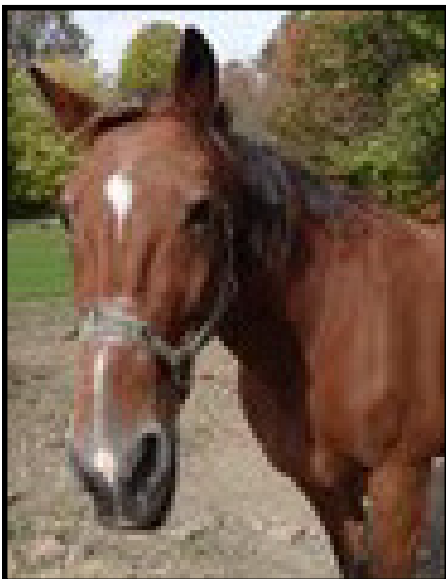

**Gender:** Mare

**Age:** ?

**Color:** White/Grey

**Health:** Back right leg is swollen. Planning to get radiographs to determine source of injury.

**Prognosis:** Still to be determined. Recovery time will help evaluate working abilities.

## **EDITON**

**Breed:** Standardbred

**Gender:** Gelding

**Age:** 20+ years old

**Color:** Chestnut

**Health:** Healthy and sound.

**Prognosis:** Should make a great trail horse for a lighter beginner rider or a recreational driving horse. No lameness detected at this time.

## **WOODY**

**Breed:** Belgian

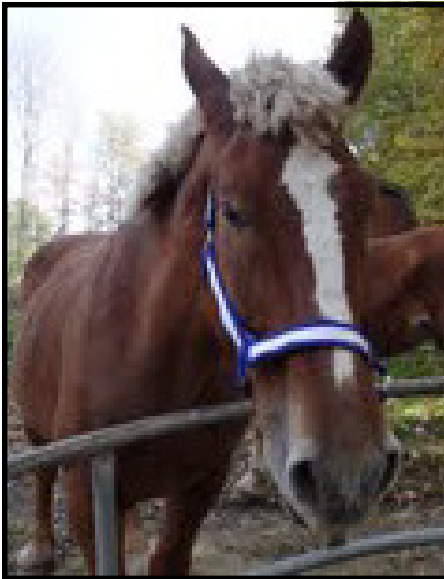

**Gender:** Gelding

**Age:** 11 years old

**Color:** Blond

**Health:** Has a right rear hoof injury.

**Prognosis:** Still to be determined. Additional exams/evaluations and radiographs are needed.

## AMITOLA

**Breed:** Belgian

**Gender:** Gelding

**Age:** 13 years old

**Color:** Blond

**Health:** Thin. Needs to recover from malnutrition. Appears to be healthy otherwise. No lameness detected at this time.

**Prognosis:** Should be a great trail horse.
