

“A Night of Hope and Inspiration”

Happy Trails Farm Animal Sanctuary’s biggest fundraiser of the year is designed to lift your spirits and to inspire you with stories of how Happy Trails and rescued farm animals have impacted and changed people’s lives!

Dear Friend of Happy Trails,

Please consider partnering with Happy Trails Farm Animal Sanctuary as a Co-Host for a simply *amazing* event and the sanctuary’s *biggest* fundraiser of the year entitled “A Night of Hope and Inspiration”, which will be held on Saturday, March 22nd at Todaro’s Party Center in Akron.

This inspiring evening is being created to focus on all the good and positive things that have come about through Happy Trails, and to highlight stories of how the rescued farm animals that have come through our sanctuary from neglect and abuse situations have impacted and have changed people’s lives. Special guest speakers will share some very personal stories about their connection with Happy Trails. Among our presenters are author and writer, Thrity Umrigar; founder and executive director of Whitehawk Ranch and the Whitehawk Institute, Rachel Whitehawk-Day; and director of Geauga County’s Rescue Village, Hope Brustein. As this inspiring and truly heart-warming evening unfolds, it will become clear as to the impact that a farm animal sanctuary has on the community.

We are going to highlight the amazing progress our organization has made over the past 14 years, and we are going to let people know that there is hope through community outreach and education to address animal abuse in our society. **Together we are making a huge difference not only in the lives of the rescued animals, but in the lives of the people in our communities as well.**

100% of the proceeds from this event will go directly to Happy Trails. Happy Trails is a 501c3 non-profit organization and donations are tax-deductible.

Our event co-hosts will be included in our marketing and promotions, and will receive complimentary tickets to the event as well as acknowledgment at the event itself.

Included here is information on becoming a partner with Happy Trails to co-host this incredible event to benefit the rescued animals. Please know how much we appreciate your support and the opportunity to work together to bring hope and inspiration when addressing the difficult topic of animal abuse. Happy Trails is truly creating a safer, more compassionate world for everyone. **Thank you for your time and consideration.**

With kindness and compassion for all animals,

Annette Fisher
Executive Director
