

Become An Animal Sponsor!

Make a difference in the life of a rescued farm animal!

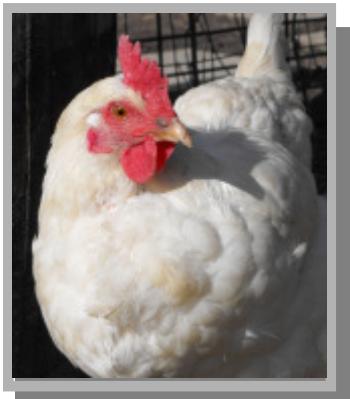

Animal Sponsors play a critical role at Happy Trails. Many of the animals have special needs that require extensive care and rehabilitation. The Sponsorship Program allows supporters to contribute to the cost of food, shelter, and veterinary care for farm animals and horses rescued from situations of abuse, neglect, and abandonment on a one-time or ongoing monthly basis. These contributions directly support our mission, and we could not continue this vital work without you!

Sponsors receive a welcome packet with a color portrait of their sponsored animal, information about the animal's rescue and personality, and a fact sheet about the animal's care. Happy Trails also offers many opportunities throughout the year for Sponsors to meet their special animals in person!
